Make one call to a toll free number and record your message. We will send it to everyone on your calling list. Everyone receives your message at the same time.

How much does it cost? 7 cents per call. (up to 45 second message)

Do you sell our names and numbers? No. We will not release or sell ANY of your information. We safeguard the privacy of each and every member.

Any long term commitments? No. Cancel service at any time. We will refund any unused balance. No questions asked.

What other costs or expenses are there? You only pay for calls you make. No set up fees, No monthly fees. No long distance charges. No fees of any kind.

What others say:

"Our members are really pleased with this service"

"Nothing, I repeat, Nothing else compares"

"Thank you for your great service"

Don't waste money on equipment and software. Phone Tree Wizard will save you money and it's easier to use.
